c) Research and beyond.....	244
<b>Conclusion</b> .....	<b>249</b>
<b>Afterword</b> .....	<b>265</b>

**Appendix Empirical Research at the University of Vermont Medical Center.....269**

1. Introduction .....	269
2. Objective .....	269
3. Methods .....	269
4. Protocol .....	270
5. Approvals .....	270
6. Structure .....	271
7. Subject Selection .....	271
8. Administration .....	272
9. Personnel involved in the Study .....	273
10. Presenting the Data .....	273
a) General Considerations .....	273
b) Views on Life's Meaning and Purpose .....	277
c) Patient Perception in Diagnostics and Therapy .....	285
11. Survey & Questionnaires, Original Format .....	293
Part 1: Patient Satisfaction Focus Group Survey .....	293
Part 2: Health Perception Survey .....	297
12. Selection of Comments .....	299
Part 1: Patient Satisfaction Focus Group Survey .....	299
Part 2: Health Perception Survey .....	304
13. Conclusions .....	305
<b>References and Further Readings .....</b>	<b>307</b>
1. Bibliography .....	307
2. Quoted Works .....	333
3. Other Sources .....	349
